“The End of Your Search for a Spirit-filled Church”

The Reverend Lynda T. Rassmann
Pastor

January 9, 2011

Greetings Sgt. DePiano,

On behalf of St. Paul African Methodist Episcopal Church, Pleasantville we take this opportunity to say **Thank You** for spearheading The Atlantic County Toys For Kids Program. For the second year, the youth of our church have been the recipients of the generosity of this community. The outreach of love was a blessing to the young people here.

We have a lot of young single parents who attend here;, and as late as last week, one of the mothers called the church to say that for what she received here, Christmas morning was a blessing in her house. The gifts she received helped her to make things better. I was very moved to hear that this church was a blessing. However we cannot take all the credit. Thanks to your organization again for coming through for us.

Thank you again from the entire church family.

Reverend Lynda T Rassmann

Pastor
